### What's New in the Meta-iPod?

The application supports full iPod analysis on the Mac, including tagging, play counts, ratings, unique plays, playlists, genre information, disk space, play date, cover art etc. This includes the newest 3rd gen and 4th gen iPods as well as the 5th gen iPod Shuffle. This software offers a complete solution for iPod users who wish to upgrade their libraries or perform full iPod analysis in order to obtain a complete picture of all their media. The application is designed to be easily operated, so you can conveniently clean up your iPod library. Once you have installed the software, you can run an iPod Analysis to obtain a detailed report including information about your music, play counts, rating, play dates, unique plays and even your playlists. From there you can easily export the information to a spreadsheet software such as Microsoft Excel or OpenOffice Calc for further, custom analysis. Meta-iPod Windows Meta-iPod Mac Mobile support for iPod Explorer is currently in beta testing, so please give it a try before purchase! You can recover content you've lost from iTunes, iPod and iPhoto at the same time. This tool supports all generations of iPods and iPhones, including the iPhone 3GS, iPhone 4, iPhone 4S, iPhone 5 and iPod touch 4th, 5th, 6th, and SE models. The program is compatible with all generations of iPod, iPhone and the latest generation iPod Touch. It can recover data from Apple's iPhone, iPod Touch, iPhone 4, iPhone 4S, iPod nano 6th, iPod mini, iPod 6th, iPod shuffle 1st, iPod shuffle 2nd, iPod shuffle 3rd, iPod shuffle 4th, iPod touch 4th, iPod touch 5th, iPod touch 6th, iPod classic 120GB, iPod classic 160GB, iPod touch 80GB. The program uses the iTunes Library File Watcher extension to safely scan and recover lost files, music, playlists, movies, TV shows, podcasts and anything else stored on your iTunes library. The program supports all the functions of iTunes, including managing music, playlists, movies, TV shows, podcasts, libraries and free playlists, and scanning and recovering lost files, songs, playlists, movies, TV shows, podcasts, playlists, play count, rating and anything else stored on your iTunes library. The program allows you to save all changes made on the iTunes library including ratings, play count, new music downloaded, playlists,
