

Give Your Skin A Youthful Appearance By Using Agarwood Essential Oil

Famed across the world for its alluring earthy fragrance, oudh or agarwood essential oil is attained from infected agarwood tree bark as well as wood extracts.

This essential oil has been used for centuries in Asia for religious ceremonies and making skin products as well as traditional medicines. Agarwood oil is blessed with some wonderful properties like antibacterial and anti-inflammatory effects.

One of the best things about agarwood essential oil is it blends perfectly with any essential oil and adds depth to oil blends. Nowadays, agarwood essential oil is widely added in skincare and beauty products not for its enriching fragrance but for its several beneficial compounds.

The rich and powerful oil offers outstanding benefits to your skin if added to your daily skincare routine. Here are some of the most important ones:

❖ Hydrates and softens skin

This amazing essential oil has the property of sealing in moisture in your skin and keeping it hydrated properly. In case, you want to restore the lost health of your dry and dull skin then agarwood essential oil can help you. It repairs your skin and gives an intense glow as well as nourishment to the skin.

One of the best things about this essential oil is, that it is a moisturizing sealant that works best for both oily and dry skin. When you use an agarwood essential oil based moisturizer, it improves your dry skin condition quickly by preserving the humidity barrier between your skin and the external atmosphere.

❖ Fight against microbial infections

Agarwood essential oil is popular for its rich fatty acid content and powerful anti-fungal, anti-inflammatory as well as anti-bacterial properties. All these properties work together in sync to decrease pimples, and acne and control sebum production as well as protect skin against microbial infections.

It is always better to wash your face, hands, and body with a foaming cleanser, body wash, or hand wash that contains agarwood essential oil. This will assist you to avoid skin ailments effectively. Always choose the skincare products that contain agarwood essential oil.

❖ Powerful anti-aging properties

Filled with the goodness of powerful antioxidants, this essential oil plays a vital role in the regeneration of new skin cells and fights against the signs of premature aging actively.

By using agarwood essential oil you can also heal your skin and decrease the appearance of fine lines as well as wrinkles on the skin. Using this oil just before your bedtime can help in keeping your skin rejuvenated and refreshed at the same time.

If you want to get rid of your stretch marks and sagging problem then apply a layer of cream or lotion infused with agarwood essential oil. This will help in healing your skin quickly.

❖ **Offers great protection to your skin against the sun**

The agarwood essential oil is filled with the goodness of potent ingredients like phytosterols, triterpene esters, hydrocarbons, and phytosterols. All these ingredients are helpful in generating a barrier against the harsh sun rays.

However, even if you are using a product enriched with this essential oil, it is necessary to apply sunscreen as you step outside your home.

❖ **Encourages collagen synthesis**

Collagen is a vital protein that offers structure to your skin, improves elasticity, and assists in keeping your skin toned as well as uplifted. By using this oil on a regular basis, you can preserve the strength of collagen fibers present in the deep layers of your skin. As a result, the natural health of your skin uplifts.

Agarwood essential oil retains the strength of collagen fibers inside the deep layers of your skin. Massaging your face and body with the right amount of anti-aging cream infused with agarwood essential oil makes your skin supple, smooth, and luminous.

In short, it can be said that agarwood essential oil is a worthy investment because it comprises several beneficial properties that promote good skin and overall health.
